Dear Ms. St. Clair:

I understand from Talib Rashada that you were responsible for the design and decor of the first Muhammad Ali Rotisserie Chicken restaurant at City Place Mall in Silver Spring, Maryland. As you know, I visited the store after it was completed on November 4, 1995. I find your work tasteful, vibrant, and well suited to its intended purpose.

Talib also informed me that your working relationship with him is excellent, and that he looks forward to working with you on other stores in the future.

I personally would like to offer you my many thanks for a job well done.

Very truly yours,

Muhammad Ali
