

The Palmer House

A Hilton Hotel

Joseph F. Frederick, Jr.
Managing Director

To Whom It May Concern:

The Palmer House Hilton is pleased to recommend Rita St. Clair Associates. We contracted with them over the past several years and they have been instrumental in accomplishing the design we desired for the Palmer House Hilton.

The quality of their design and services is superior to those we have worked with in the past. Our desire to maintain the Palmer House's elegance, as originally conceptualized by Potter Palmer, has not been an easy task and have worked with many interior planners and designers over the years.

Rita St. Clair Associates is the only firm able to accomplish the quality we seek. I would not hesitate to recommend them to anyone contemplating either major or small renovation projects.

Sincerely,
